

LOGISTICS BEYOND EXPECTATION

AIR FREIGHT • OCEAN FREIGHT • ROAD FREIGHT • PROJECTS

DREAM BIG INSPIRE THE WORLD.

... AND WE WANT TO DO IT PERFECTLY

"After working in the freight industry for almost 20 years, I had a vision of a new, modern, and innovative consultancy-based freight forwarding business led by a team of industry experts who provide clients with choice and flexible solutions.

I believe that strong partnerships, professional integrity, and trust go hand in hand. Our company moto is "Logistics beyond expectation" and we strive to achieve this on a day-to-day basis."

Sean Henson, Company Director

WE CARRY YOUR TRUST.

Orbis International serves as your consultant, providing one-stop logistics solutions through diverse logistics modes, integrating Air, Ocean and Road transport.

We have a proven methodology for engaging customers using a collaborative solution development process to understand their business needs.

We tailor our solution to specifically deliver the objectives for our customer's global supply chains.

WHAT MAKES US DIFFERENT

Tailored Solutions - We work with you to understand the unique goals of your business and offer the best solution that work to achieve those goals.

Industry Expertise - Our combined 30-year global freight forwarding industry knowledge and expertise will help you analyse, develop and implement the most successful transport strategies.

Dedicated Team - Our team of highly experienced, service-oriented professionals is dedicated to doing all it takes to ensure the efficient delivery of your goods

Transparent Communication and Collaboration - We communicate openly and honestly, and build long-lasting partnerships with our customers, carriers, and business partners.

OUR STORY **SO FAR...**

Despite our relatively short history as a company, Orbis International has developed into an international leader of multi-modal freight forwarding solutions.

Built on the rich practical, innovative and technical skills of our operators and our strong dedication to customer satisfaction, we have managed to build a long list of successful projects during this period.

BUILDING PARTNERSHIPS

We support growth of our WCA partners, local suppliers and UK shippers with transparency, knowledge and accuracy.

Recently, we've proudly joined forces with PPL Network, a move that has further fortified our global network and enhanced our capabilities in providing top-notch freight forwarding solutions.

LOCAL COMMUNITY SUPPORT

Our commitment extends beyond logistics. Through our continuous support for local grassroots initiatives, such as nurturing a community football team, we offer our dedication to community development.

We are proud of what we've accomplished so far and look forward to our future success together.

WHAT OUR CUSTOMERS SAY

"Orbis understands our requirements and provides more than just another freight solution. Be it air or sea they know how to handle. They are reliable partner who is very prompt and competitive."

Mayuri Gupta - Director, Indikos Forwarding PVT Ltd.

"We've used these guys for years and don't use anyone else for our containers. As some of our shipments require us to be there when they arrive and Orbis are hands on at keeping us in the loop. Highly recommended."

Alistair Rinfret - Director, Balcan Engineering Ltd.

"It's the extensive knowledge of international air freight makes Orbis a truly valuable partner. Proving that freight forwarders can work together, utilising each others strengths. To keep goods moving and helping businesses achieve their logistic goals."

Tracie Johnson - Director, Kudos Freight Ltd.

FREIGHT SERVICES

Our combined 30-year global freight forwarding industry knowledge and expertise in customised logistics solutions will help you analyse, develop and implement successful transport strategies from end-to-end

AIR FREIGHT

The foundations of our company are built on our knowledge and passion for Air Freight. With a dedicated in-house operation team we are here to walk you through any projects or enquires you may have.

With our consultancy-based approach, our team are here to discuss and listen to your requirements before we offer a solution that's right for your business.

OCEAN FREIGHT

Via our global network of 7000 WCA partners we offer a complete range of worldwide Ocean Freight services for any destination in the world.

We monitor your shipment from loading at your supplier to unloading at your customer using the latest track & trace technology so you can relax and focus on your business.

WHITE GLOVE SERVICES

Our highly trained professionals adhere to industry-standard standards and rules for properly handling consignments throughout the delivery process. This involves placing sensitive things, oversized freight, or specific category goods in purpose-built vehicles such as padded vans, temperature- and climate-controlled trucks, to ensure immaculate and precise doorstep delivery.

EXPRESS COURIER

If you have a shipment at the very last minute, Orbis Express Courier Services are always there for you.

We use an extensive network of couriers to offer you the best solution. For something as small as an envelope, or even a full truck load, there is nothing our team can't handle - 24/7, 365 days a year.

ORBIS ROAD SOLUTIONS

With 30+ years' combined experience in transport, logistics and supply chain management Orbis Road Solutions offer unparalleled consolidation services to businesses across all industry sectors including manufacturing, automotive, packaging, engineering, waste and recycling. Based in South Wales, its operations office supports businesses across the UK (including Ireland and Scotland).

UK & EUROPEAN GROUPAGE SERVICES

Our groupage network provides frequent and scheduled departures, offering high quality and cost effective consolidation solutions for the movement of freight throughout UK and Europe.

EXTENSIVE FLEET CHOICE

Our expansive fleet offers flexibility and choice. Select from a diverse range of 22,000+ vehicles to accommodate your specific cargo requirements, ensuring the right fit for your shipments.

A white Orbis Road Solutions truck is shown driving on a road during sunset. The truck is viewed from a front-quarter perspective, moving away from the viewer. The sun is low on the horizon, creating a warm, golden glow. The truck's trailer features the Orbis Road Solutions logo, which consists of a stylized circular emblem with red and blue elements, followed by the text 'ORBIS ROAD SOLUTIONS'. A semi-transparent red box is overlaid on the right side of the truck, containing white text.

Orbis Road is your trusted partner for reliable, sustainable, and efficient road freight forwarding solutions in the UK and throughout Europe

SPECIAL SERVICES

EXHIBITION & EVENT LOGISTICS

Orbis International are true exhibition freight specialist with over 20 years industry expertise. We take away the hassle of exhibition transport and customs formalities to leave you free to focus on the event itself.

SUPPLY CHAIN MANAGEMENT

We understand the challenges of ever-changing world of logistics and help you find the most cost-effective solutions for all your transportation needs. We use transparent communication involving you in every vital decision along the supply chain.

WHITE GLOVE SERVICES

Our highly trained professionals adhere to industry-standard standards and rules for properly handling consignments throughout the delivery process. This involves placing sensitive things, oversized freight, or specific category goods in purpose-built vehicles such as padded vans, temperature- and climate-controlled trucks, to ensure immaculate and precise doorstep delivery.

CUSTOMS & COMPLIANCE

Our customs specialists can help you comply with existing government regulations and stay ahead of changing customs compliance laws to reduce your risk, eliminate errors, and lower your costs. Our dedicated customer support team is available round the clock to address any queries or concerns, ensuring a smooth shipping experience.

If you are looking for a global logistics provider with local knowledge, you can rely on Orbis International
